ACKNOWLEDGEMENT OF COUNTRY

We acknowledge Geelong and The Bellarine is Wadawurrung Country.

We welcome visitors to our region, a place we acknowledge has been cared for by the Wadawurrung people of the Kulin Nation for thousands of years.

The environment is a key reason visitors choose this destination. Traditional owners sharing the beauty and joy of these lands and waterways is a privilege, one we repay with respect for their Country, Elders and people.

MARK YOUR CALENDAR

Geelong plays host to a dazzling calendar of events that stretches throughout the seasons and across the full spectrum of entertainment.

Sport makes the most of the city as a playing surface. Corio Bay hosts world-class sailing while the streets become racetracks for bikes, cars and triathletes. The city is unapologetically parochial about local AFL team, the Geelong Cats, and every home game at GMHBA Stadium brings an event feel to town.

As a UNESCO City of Design, creativity is highly valued here too. Fabulous exhibitions of national and international significance are a regular feature at Geelong Gallery and the National Wool Museum. Geelong Arts Centre is in the midst of an upgrade that will deliver a performance and arts space to attract the very best creative minds and venues across the city host live music and shows.

Here are some highlights of the local events schedule. Keep an eye on **visitgeelongbellarine.com.au/whats-on** or check the event website for fresh updates as dates & events may change*.

GREATER THAN STAYING HOME

HAVE YOU HEARD? GEELONG'S CHANGED

When visiting Geelong, the Waterfront is a good place to start. The outlook over Corio Bay is a wonderful side dish to the vast number of places to eat and drink. It's also an ideal backdrop for a casual walk or taking in one of the range of events held in the vicinity throughout the year.

You shouldn't stop at the Waterfront though. Just a couple of blocks to the south there's an entire cultural precinct, featuring Geelong Gallery with an ever-more-imposing schedule of exhibitions and the Geelong Arts Centre which is currently being transformed into one of the best creative and performance spaces in the country. The Geelong Library and Heritage Centre is so breathtakingly impressive it'll convince non-readers to pick up a book, while the National Wool Museum is sharing important stories and cool non-wool events too.

Little Malop Street and surrounds has become the go-to place at meal times. Eateries with interesting menus and attentive service, alongside venues dedicated to the experience of drinking and a sprinkling of really fun live entertainment, make it a memorable night out.

Further afield there are some brilliant precincts. Pakington Street – Pako to locals – is a well balanced mix of eating out, quality fresh goods, retail and boutique shopping. Fyansford has emerged from a forgotten riverside spot to an array of experiences in historic and captivating surrounds, including wineries, art and creatives. There are restaurant treasures, great retail experiences and cultural hotspots in suburban Geelong areas like Belmont, Highton, East Geelong, Newtown and the revamped Federal Mills site in North Geelong.

The more you explore Geelong, the more there is to love.

MALOP ST

GO TO TOWN

As well as retail therapy in suburban precincts and strips, there are some excellent shopping centres carrying favourite brands, boutiques and services. Find Westfield Geelong and Market Square in the CBD, and Waurn Ponds Shopping Centre just ten minutes from town.

A WAY WITH WATER

The Waterfront is where Geelong goes to play. It's the site for many of the city's best loved events, there are a bunch of excellent hospitality venues in the precinct, as well as natural and built attractions for the whole family.

Corio Bay faces north, which means it basks in the full sun for most of the day. That makes it perfect for walks along the water's edge, taking in gardens, parks, lawns, harbours, jetties and public art – the most famous being the Bollards: more than 100 painted sculptures of local historically significant people. The Activate Geelong App will bring some of them to life.

For fun and games, there's a playground next to a huge and spectacularly located skate park near Cunningham Pier. **The Carousel** is a vintage merry-go-round at the bottom of Moorabool Street, and there's a **Giant Sky Wheel** near the **Royal Geelong Yacht Club**.

Eastern Beach is an art deco sea bath enclosed in a timber promenade with diving boards, towers and platforms plus a separate children's pool. Sitting pride of place overlooking the Eastern Beach enclosure is **The Pavilion** café for either a quick caffeination stop or a sunny beachside dining experience. Look out for the little train rides with **Eastern Beach Train Tours** often operating in the zone.

CLEVER. CREATIVE. GEELONG.

The city is home to a growing arts scene, supported by leading institutions and independent operators crafting a reputation through their work.

BOOM GALLERY

Established in 1896, the **Geelong Gallery** is one of Australia's leading and oldest regional art galleries. It has a magnificent permanent collection complemented by an impressive exhibition schedule.

Independent art spaces like **Boom Gallery** are finding a loyal following as the city evolves from its industrial past and embraces a creative future. This is perfectly encapsulated in a literal sense as Boom has repurposed a former woollen mill for its gallery, shop, café and exhibition space.
For more visual treats, check out **Focal Point Darkroom and Gallery** and **Geelong Art Space**.

Narana Aboriginal Cultural Centre offers cultural education programs, an art gallery, native gardens with wildlife plus a café and retail space. 'Narana' means deep listening and understanding, and the Centre has a focus on developing a better understanding of culture.

The **National Wool Museum** explores the landscape through thousands of years of Wadawurrung culture to the more recent wool industry. Temporary exhibitions range from the global Wildlife Photographer of the Year to thought-provoking environmental showcases and engaging educational shows that make learning fun.

GREATER THAN WATCHING TIKTOK.

For those little creative minds and hands, **Museum of Play and Art** immerses children from age 1-7 in play-based learning. The space stimulates curiosity and creative play.

The **Geelong Library and Heritage Centre** is a giant, glassy dome with five levels of literature, resources and space.

National Trust properties **The Heights** and **Barwon Grange** invite you to explore their unique historic mid-nineteenth century charms.

Designation as a UNESCO City of Design was recognition for a long and proud history of innovation, combined with a focus on celebrating the evolution of Geelong as a place that commemorates and prioritises good contemporary design.

Art and culture are celebrated at huge street events like **White Night** and **Pako Festa,** and more regularly there are intimate sets of blues at **Pistol Pete's,** street art and public installations across the city and the sing along party that is **Piano Bar**. The iconic **Palais Theatre** on Moorabool Street, with all its art deco charms, has come back to life showing popular live shows and hosting events.

Learn about Geelong first hand, **Mr History** can take you on an interactive walking tour of Geelong's rich and diverse history on a two hour discovery of central Geelong.

PAPER MILLS PRECINCT

The Old Paper Mills are perched above the Barwon River near Buckley Falls. Pretty to look at from the south side, it's best enjoyed up close via Fyansford. **Provenance Wines** cellar door and winery is the main space in the restored paper mills building with bluestone walls and cathedral ceilings, and the tasting experience of guided wine and food matches for six or eight courses recommended. Beside Provenance is **The Door Gallery Café** situated in the old 'Engine House' of the historic Fyansford Paper Mill – an eclectic mix of retail, food, drinks and music. The whole Paper Mills precinct is an arts and cultural hub with galleries, art and design studios and outlets to explore.

FEDERAL MILLS PRECINCT

There are brilliant things cooking below the big chimney in North Geelong. The **Anther Gin Distillery** is passionately bottling their curiosity, and the new awe-inspiring **1915** restaurant and bar in an old boiler house next door, highlights locally grown and crafted tastes in a vast and enticing venue. There's also vintage shopping at **Geelong Vintage Market**, specialty retail and a café.

WHAT'S OLD IS NEW

Geelong's wool and industrial history shaped many of the most striking buildings across the city. Some of the best reinvented spaces include brick and stone wool store buildings near the waterfront, such as Deakin University, **Westfield Gelong**, **Market Square Shopping Centre** and the **National Wool Museum**. The Wool Museum is also home to newly renovated **Black Sheep** for great European food and the **Chamber of Gin**, showcasing gin from distilleries around Geelong and along the coast.

Little Creatures Village – again an old woollen mill, not only is the brewery distributing Little Creatures beer to the Australian east coast (and tours are available!), there's The Canteen with casual food and brews and the **White Rabbit Barrel Hall** with craft beer and bites.

TASTE SENSATIONS

As the city has matured and evolved into a cultured destination, so too has the Geelong hospitality scene grown into its own, attracting people for its diversity, tastes and high calibre offering. In some cases, talented chefs have returned home to set up shop. Other visionary restauranteurs are finding balance in the regional coastal pace, that's still accompanied by a level of sophistication.

LET'S GO OUTSIDE

Geelong aspires to be the most active city in Australia, and there's no shortage of places to get out, get moving and have fun.

The **Geelong Botanic Gardens**, to the east of the city, were established in 1851. There are historically significant trees, formal plantings and greenhouses for exotic species. Lawns are perfect for picnics or enjoy drinks and snacks at the Teahouse set under shady trees. Held twice a week, visitors can do a free Discovery Walk of the Gardens guided by the **Friends of Geelong Botanic Gardens** volunteers, who also support the Gardens in many ways.

The Barwon River trails are much loved by locals on foot and on bikes, and there's plenty of parkland, playgrounds, picnic areas and nature reserves alongside. There's a fenced dog park in the Belmont area and near Newtown, The Park is a purpose-built mountain bike space with tracks to suit a range of skill levels.

Geelong's bayside location is ideal for on-water activities. The **Royal Geelong Yacht Club** is central to many major events but also offers casual sailing and lessons. **Geelong Fishing Charters** run tours from the Waterfront out into Corio Bay.
