ACKNOWLEDGEMENT OF COUNTRY

We acknowledge Geelong and The Bellarine is Wadawurrung Country.

We welcome visitors to our region, a place we acknowledge has been cared for by the Wadawurrung people of the Kulin Nation for thousands of years.

The environment is a key reason visitors choose this destination. Traditional owners sharing the beauty and joy of these lands and waterways is a privilege, one we repay with respect for their Country, Elders and people.

GETTING AROUND

By Road: From Geelong it's approximately 50 minutes to the You Yangs Regional Park (Forest Road N), 40 minutes to Brisbane Ranges National Park (Geelong-Ballan Road C141), 25 minutes to Bannockburn (Midland Hwy A300) and 25 minutes to Inverleigh (Hamilton Highway B140).
Or you can indulge in private transport to take you around *(see page 17)*.

WHILE YOU'RE HERE...

Discover Geelong & surrounds and destinations on The Bellarine such as Portarlington & St Leonards, Ocean Grove & Barwon Heads and Queenscliff & Point Lonsdale. We've got the region covered, and you can find it all in the Greater Than destination guides available at a Visitor Information Centre *(see page 17 for contact details)* or online at:

MARK YOUR CALENDAR

The hills and valleys are alive with the sound of music and, every second year, aircraft. The biennial Australian International Airshow at Avalon Airport is much loved, and the region is home to two famous music festivals: Meredith and Golden Plains. There are regular motorsport events at Avalon Raceway and tasty and eclectic events roll around regularly too, from local produce at the Golden Plains Farmers' Market, to regional wine celebrations and the Lara Food and Wine Festival.

Here are some highlights of the local events schedule. Keep an eye on **visitgeelongbellarine.com.au/whats-on** or check the event website for fresh updates as dates & events may change*.

THE YOU YANGS

Named from Wadawurrung language, 'Wurdi Youang' meaning 'big hills', this region has been a significant site for the local Wadawurrung people for more than 60,000 years. First Nations people came to the area to form connections, and the resources available on these lands provided a sustainable life.

Their ways of living are visible in the more than 300 cultural heritage sites in the area, including water wells they made by enlarging natural hollows in the rock. From the highest peaks, the 360-degree views are over the expanses of Wadawurrung country.

The granite peaks of the You Yangs dominate the landscape, rising 300m above the surrounding plains and visible from The Bellarine and as far as Melbourne.

YOU YANGS AND MOORABOOL VALLEY GREATER THAN THE SUM OF ITS PARTS.

YOU YANGS REGIONAL PARK

A wonderful place to get active in nature, You Yangs Regional Park has a vast array of tracks for walking and hiking. There are also horse riding tracks, plus 50km of dedicated mountain bike trails and spaces for rock climbing, abseiling and orienteering. **Geelong Adventure Specialists** can have you clambering and flying down rock faces among many other heart racing activities.

More than 200 species of birds have been recorded around the You Yangs and the park is also home to koalas, kangaroos, wallabies, possums, echidnas and lizards. **Echidna Walkabout Nature Tours** can take you on a tour of these animals in their natural habitat.

LOTS TO SEE AND DO

There are plenty of spots to choose from for picnics and BBQs, the perfect settings to settle hunger pangs when the heart rate has come down. Sheltered by eucalypts, grassy clearings and with boulder formations in every direction, it's a great environment for little adventurers to run, climb, gather and explore.

Significant Wadawurrung cultural sites exist throughout the park, including water wells like the one on Big Rock. There's also an artwork of Bunjil, the Wadawurrung Creator Spirit. It's sculpted from rock as a wedge-tailed eagle with a 100m wingspan that's visible from some elevated parts of the park.

Unlike National Parks, the You Yangs Regional Park is dog friendly. It's a wonderful place to spend time with furry friends but we all have a responsibility to ensure they don't do damage: keep them on lead, follow signs and clean up after them.

YOU YANGS WALKS

- **BIG ROCK WALK**
  3.0km, 1 hour return from the Park Office.
- **BIG ROCK**
  100m, 10 minutes return from the Big Rock Carpark. Great views toward Geelong.
- **EAST–WEST WALK**
  4.5km, a challenging 2 hours return from the Turntable Carpark, rewarded with views of the park and countryside.
- **FLINDERS PEAK**
  3.2km, 1 hour return from the Turntable Carpark to the highest point of the You Yangs. There are 450 steps, some steep sections.
- **BRANDING YARD TRAIL**
  5.0km, a gentle 2.5 hours return from either the Turntable Carpark or Branding Yard Road.
- **NORTHERN RANGE WALK**
  3.5km, 1 hour one way extending from the East-West Walk and the Branding Yard Trail, a more challenging walk with some steep gradients but with impressive water views.

SERENDIP SANCTUARY

Around 10km from the You Yangs Regional Park, Serendip Sanctuary is a tranquil and serene oasis that feels worlds away despite being so close to the Lara township and easily accessible from Geelong and Melbourne.

Native species, including some rare and endangered, are protected in this sanctuary environment. Kangaroos, wallabies and emus inhabit the grassy woodlands, while 150 species of birds visit or breed at Serendip Sanctuary.

Bird hides mean visitors can spend time up close, observing without disturbing. Take a wildlife walk using interconnecting tracks and trails to meander across wetlands and through grassy woodlands. Most wildlife is free range roaming the park so take care, move quietly and stay on the tracks to respect the wildlife in their environment. Seasonal guided walks and education programs run by the teams at Parks Victoria take place for school curriculum and during holidays.

There is picnic space, a BBQ and public toilets.
Full park visitor guide is available at **parks.vic.gov.au**

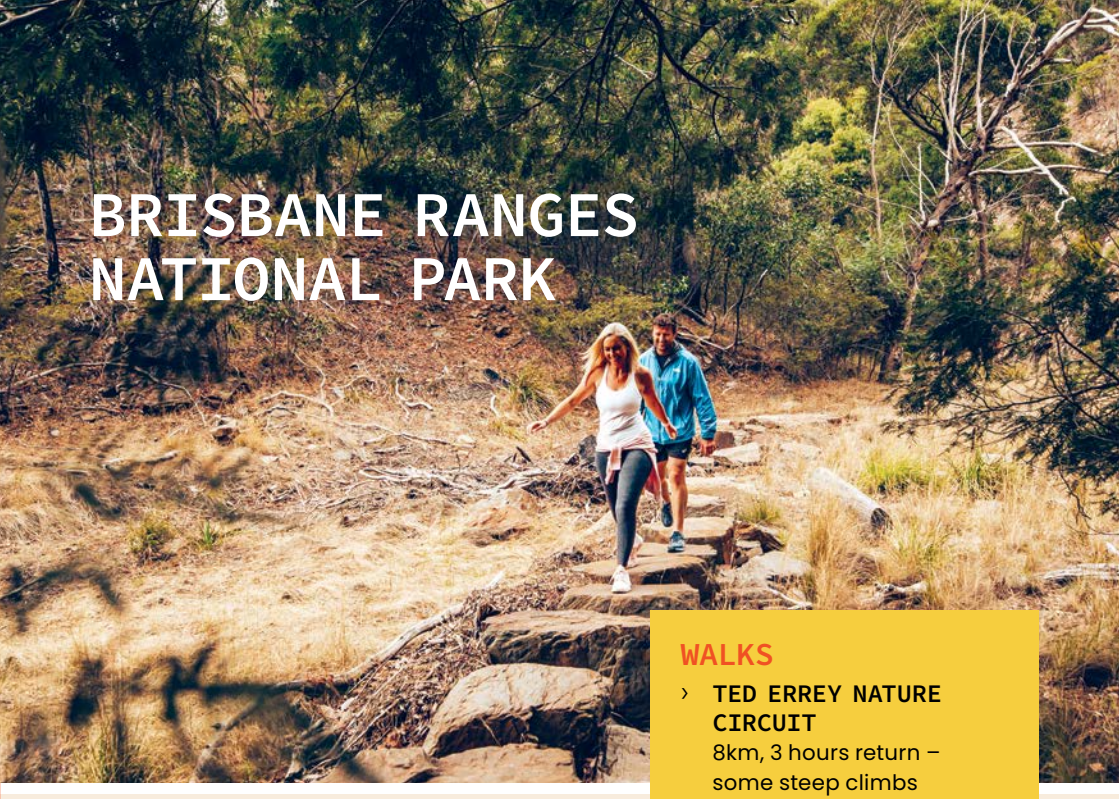
EASTERN GREY KANGAROO

BRISBANE RANGES NATIONAL PARK



A somewhat hidden secret north west of Lara, the Brisbane Ranges National Park is a preserved piece of wilderness and beauty, the richest wildflower habitat in Victoria. 619 species of plants – 20% of all native plants in Victoria – grow in the park and some, like the Brisbane Ranges Grevillea, grow nowhere else.

The geology of the area, with hills, ridges and gullies, has protected native species of plant life and retained it as a haven for wildlife too. Kangaroos, wallabies, echidnas, possums and gliders plus 170 species of birds have all been spotted in the park.

There are several walks, from easy family-friendly strolls to multi-day hikes. Picnic areas abound, some with electric or BYO wood BBQs. There are campsites at Boars Gully and Fridays, some are suitable for trailers and caravans and all must be booked: **parks.vic.gov.au/stay**

WALKS

- **TED ERREY NATURE CIRCUIT**
  8km, 3 hours return – some steep climbs rewarded with glorious views across the park. Some formed tracks, some rocky gravel trail.
- **ANAKIE GORGE WALK**
  3.5km, 1.5 hours one way along a relatively flat gradient, excellent for families or beginners.
- **WADAWURRUNG WALK**
  2.5km, 1 hour return with excellent views over Anakie Gorge and toward the You Yangs, significant Country in Wadawurrung culture.
- **THE BURCHELL TRAIL**
  40 km, 3 days one way with overnight camps at the Old Mill and Little River Bush Camping areas. Always let someone know your plans if completing overnight hikes.

STEP BACK IN TIME

STEIGLITZ

For the thirty years between 1860 – 1890, Steiglitz was a bustling gold mining town where at its height, 1,500 people lived, worked, went to church and supported hotels, businesses and a newspaper.

Deserted from its original 19th century setting and with only a handful of inhabitants, now most of the town is part of the Historic Park and the Steiglitz Court House is the centrepiece. Open on Sundays and public holidays, the Court House holds artefacts, records and images from the area.

There is also historic equipment and old mines, a fascinating spot to explore what once was, picnic or begin one of the many walks in the area.

GREATER THAN A HISTORY BOOK.

WALKS

- **STEIGLITZ CIRCUIT WALK**
  8.5km, 4 hours – includes good views of the township and the Brisbane Ranges NP.
- **DEADMANS LOOP**
  4.7km, 1 hour 45 minutes beginning at the Court House and traversing bushland and historic sites.
- **BEARDS GULLY WALK**
  6km, 6 hours - difficult off-track walking and steep climbs for experienced and prepared hikers. Shuttle and specific preparation are encouraged.
- **NATIVE YOUTH WALK**
  5.5km, 1 hour 45 minutes - beginning at the Pines Carpark and traversing past old mine sites.
- **GRAHAMS CREEK WALK**
  5.5km, 1.5 hours - starting at The Crossing Picnic Area and includes a long climb, a creek crossing and impressive native vegetation.

LARA MUSEUM

HISTORY ON SHOW

The **Lara Museum** showcases a local story, fittingly in one of the oldest buildings in the region – the former Lake Bank Hotel, dating back to the 19th century and still operating until 1908. Following a refurbishment, it was opened as a community museum, operated by volunteers, in April 2013. The limestone buildings themselves are impressive, as is the collection of artefacts and curious items showcasing particularly the agricultural story of Lara and surrounds.

The heritage listed **Werribee Park Mansion** is opulent, crafted in a grand Renaissance Revival style. It's a journey through history at every turn, from the sprawling complex of ornate rooms - testament to elaborate craftsmanship in construction and furnishings – to the outbuildings that highlight the challenge of life in previous centuries. The immaculate grounds were made for picnics, and the on-site State Rose Garden is a breathtaking seasonal explosion of colour. Entry to the grounds is free, with tickets and audio tours available for entry to the Mansion.

On weekends **Essence Productions** puts on the immersive 'What was that?' theatre production in Werribee Park Mansion, the story unfolding as you move from room to room.

WINE & DINE

Austin's Wines have opened a brand new cellar door inside their former shearing shed. Here you can taste their renowned range of cool climate wines alongside deli items that include delicious local and imported cheese, other fresh items and pop up kitchen catering to compliment your relaxing afternoon.

Clyde Park Vineyard and Bistro sits atop a hill overlooking the valley and vines that produce the award-winning wines grown and crafted on site. The bistro focuses on fresh and local, a great ethos for delivering shared meals and good times.

del Rios Winery and Restaurant is perched on the slopes of an extinct volcano, Mt Anakie, with sweeping views of Geelong and the You Yangs. The menu blends contemporary and traditional Spanish style, with a tapas menu matched with estate grown wine.

Lethbridge Wines offers charcuterie platters to accompany their intimate and personable cellar door tasting experience and fabulous top-rated range of wine.

Moorabool Ridge cellar door is well stocked with their excellent cool climate wines as well as jams, chutneys, pickles and oils. The café also serves a casual menu at their serene 18th century stone Shepard's Hut alongside the Moorabool River.

COUNTRY HOSPITALITY

Boutique experiences with artisan makers and delicacies with heart are on offer in this countryside. The region is home to national treasure Meredith Dairy. At venues like **Moorabool Valley Chocolate**, there are sweet indulgences and good coffee.

Batesford Hotel dishes up hearty pub fare in a lush riverside setting that's perfect for sunny days in the beer garden. Towns in the region have great bakeries and cafés because, after all, a country road trip doesn't count unless you've eaten a local vanilla slice.

HEAD TO THE HILLS

The rolling hills and rocky ridges in this part of the world just quietly go about their business of creating memorable and much-loved food and wine without fuss or fanfare. The **Golden Plains Farmers' Market** (first Saturday of the month except January) in Bannockburn is a good place to whet your appetite.

GET INTO TOWN

Lara has become a bustling and evolving township with a great community of people who adore life surrounded by, and connected to, an abundance of space and some wonderful natural assets. The town is well serviced by retail – from national brands to independent stores – and casual eateries. The **Lara Sporting Club**, home to the local teams, offers bistro meals in a friendly atmosphere.

Highlights of the area include the Kevin Hoffman Walk, a native garden trail best enjoyed at a gentle pace and shared with a friend. Gardens are also at the heart of local institution **Roraima Nursery**, a glorious shady place to meander admiring the plants and metal art while pondering which ones to take home.

Nearby Little River may be small but it has a big heart, being central to many recognisable film locations such as the original Mad Max movies and more recently, Ned Kelly and The Dressmaker. Avalon Beach is a popular spot for fishing with several jetties and a boat ramp.

The area is connected by V/Line rail, with stations in both Lara and Little River making for easy access from both Melbourne and Geelong. These are also the nearest towns to **Avalon Airport**, which is less than 10km from the centre of Lara.

WERRIBEE

To the east of the You Yangs region, Werribee and surrounds has some wonderful attractions, easily accessible.

The **Lancemore Mansion Hotel and Spa** is in the grounds of Werribee Park. Adjoining the original mansion building, it carries the historic decadence into a modern facility with the super luxe L.M. Spa and Joseph's Restaurant offering indulgence to the public and in-house guests. Nearby **Shadowfax Wines** is a stunning venue offering a restaurant menu alongside five star wines.

Wyndham Harbour, to the south of Werribee, has an impressive marina area with lots of public space and amenities as well as places to eat. Closer to the centre of town the **Werribee Racing Club** hosts regular thoroughbred meets and events.

TOTALLY WILD

Whilst our local nature parks are home to much wildlife, the **Werribee Open Range Zoo** is a wonderful opportunity to learn about species and conservation. Much of the zoo footprint has African savannah animals free ranging while visitors watch from safari style buses. There's a fabulous program of events and animal encounters, on-site safari accommodation, a great native animal section and everyone's favourite lookout monitors, the meerkats.

Werribee River is an enticing area for a walk to take in nature, and twitchers will love it with other renowned bird watching sites that are teeming with impressive local and migratory birds.

FIND YOUR WAY TO FAIRY TALES AND FAB FAMILY FUN

Picnics and adventures in beautiful places are all around the Moorabool Valley and You Yangs regions. Some in the Regional and National Parks, some along rivers edges, or some just off to the side of the road in parks and picnic areas. There are also excellent spots to really make the little people happy.

The giant gnome at the entrance to **Fairy Park** has been welcoming and delighting children on this granite hill for generations. The magic of storytelling and traditional fairy tales is shared throughout the grounds and the medieval Camelot themed adventure playground is a highlight.

Tell the kids to get lost! The **Barrabool Maze Estate** is a traditional hedge maze, but the grounds are far bigger. There are delightful formal gardens and grounds to wander around including a lakeside walk, plus a great café overlooking the scenes and surrounding Barrabool Hills.
